- Watch quick videos to see what the exchange is all about.
- Compare the coverage levels side-by-side.
- Get to know the carriers through [Your Carrier Connection](#)—get overviews, compare features and services, and access preview sites to see provider networks and prescription drug information.

Enroll

Log on to the Your Total Rewards™ website at <http://digital.alight.com/equitable/> and click **Enroll Now**. Or, you can enroll through the Alight Mobile app (available through the Apple App Store or Google Play).

- Get fast answers about the best medical options for your situation by sharing what's important to you.
- See how others evaluated the health insurance carriers by looking at carrier ratings for customer service, provider networks, and online experience.

Once you've completed your enrollment online, you can view your future coverages and follow-ups on a confirmation page. You can also view this information through the Your Total Rewards website at <http://digital.alight.com/equitable/> any time before your benefits begin.

Remember, you should enroll to make sure you get the coverage you want next year! Not only could your needs have changed, but other things could have changed too—including your options and prices, the network of doctors, and how your prescription drugs are covered. And, to change your contribution to a Health Savings Account (HSA) (if eligible) or contribute to a Flexible Spending Account (FSA), you must make an active election.

Use Your Benefits

Throughout the year, there are lots of ways to stay on top of your health, and to make the most of your benefits and your health care dollars. Make sure you're up to speed before your benefits take effect.
